See No Evil

Joe Jackson

What I want I want now
And it's a whole lot more than "anyhow"
I wanna fly, fly a fountain
I wanna jump, jump, jump, jump a mountainI understand all
Destructive urges
It seems so perfect
I see no evilI get ideas, I get a notion
I want a nice little boat made out of ocean
I get your point, you're so sharp
Getting good reactions with your be-bo talk
I understand all
Destructive urges
It seems so perfect
I see no evilDon't say unconscious, no, don't say doom
Well, if you got to say it let me leave this room
'Cause what I want, I want now
And it's a whole lot more than "anyhow"I understand all
Destructive urges
It seems so perfect
I see no evil
I'm runnin' wild with the one I love
I'm runnin' crazy with the one I love
I'm runnin' wild with the one I love
Pull down the future with the one you love
