

Astonishing Panorama of the End Times

Marilyn Manson

The boy's got a head like an atom bomb
hang him from a cross like the number one son
and he's been waiting so long
to get it on.the boy's 15 but he's 16 gauge
wants to get out from his Jesus cage
he's already torn out the last page
it's the "latest rage"Violence for the people
they always eat the hand that bleeds
Violence for the people
give the kids what they needKill your god

Kill your god

Kill your TV

the boy's purified by the quitter gods
burning up his cross like a revelation
and his glass jaw opens
like a puppet headViolence for the people
they always eat the hand that bleeds
Violence for the people
give the kids what they needKill your god

Kill your god

Kill your TVThis is what you should fear

You are what you should fearThis is what you should fear

You are what you should fearThis is what you should fear

you are what you should fear

This is what you should fear

You are what you should fearTHIS IS WHAT YOU SHOULD FEAR

YOU ARE WHAT YOU SHOULD FEARTHIS IS WHAT YOU SHOULD FEARViolence for the people

they always eat the hand that bleeds

Violence for the people

give the kids what they...

Violence for the people

they always eat the hand that bleeds

Violence for the people

give the kids what they...

KILL YOUR GOD

KILL YOUR TV

KILL YOUR GOD

KILL YOUR TV

KILL YOUR GOD

KILL YOUR TV
