

# Perfect Is The Word

## Kid Cudi

[Verse 1:]Perfect is the word\*

It's the main thing that the lost souls want

Well not me I know things

Know things

Things that I wish I had not

No worries

It is my destiny to be where I am

I said listen to tic go toc on the bomb

Waiting

[Chorus:]Cuz I don't runaway nah

I don't runaway

Cowards runaway ah

I don't runaway

I won't runaway

Not me baby

I don't runaway

Cowards runaway ah

[Verse 2:]Sickening is the word

It's the main thing that the lost souls want

Well not me I've seen things

Seen things

Things that I wish I had not

Don't cry for me

It is my destiny to be where I am

I said listen to tic go toc on the bomb

Waiting

[Chorus:]Cuz I don't runaway nah

I don't runaway

Cowards runaway ah

I don't runaway

I won't runaway

Not me baby

I don't runaway

Cowards runaway ah

[Guitar Solo:][Chorus:]Cuz I don't runaway nah

I don't runaway

Cowards runaway ah

I won't runaway

I won't runaway  
Not me baby  
I don't runaway  
Cowards runaway ah
