Mountain Of God

Third Day

Thought that I was all alone
Broken and afraid
But You were there with me
Yes, You were there with meAnd I didn't even know
That I had lost my way
But You were there with me
Yes, You were there with me'Til You opened up my eyes
I never knew
That I couldn't ever make it
Without YouEven though the journey's long
And I know the road is hard
Well, the One who's gone before me
He will help me carry on
After all that I've been through
Now I realize the truth
That I must go through the valley
To stand upon the mountain of GodAs I travel on the road
That You have lead me down
You are here with me
Yes, You are here with me
I have need for nothing more
Oh, now that I have found
That You are here with me
Yes, You are here with meI confess from time to time
I lose my way
But You are always there
To bring me back againSometimes I think of where it is I've come from
And the things I've left behind
But of all I've had, what I possessed
Nothing can quite compare
With what's in front of me
With what's in front of me(After final Chorus)
I thought that I was all alone
Broken and afraid
But, You are here with me
Yes, You are here with me.
