

# Mountain Of God

## Third Day

Thought that I was all alone  
Broken and afraid  
But You were there with me  
Yes, You were there with me And I didn't even know  
That I had lost my way  
But You were there with me  
Yes, You were there with me 'Til You opened up my eyes  
I never knew  
That I couldn't ever make it  
Without You Even though the journey's long  
And I know the road is hard  
Well, the One who's gone before me  
He will help me carry on  
After all that I've been through  
Now I realize the truth  
That I must go through the valley  
To stand upon the mountain of God As I travel on the road  
That You have lead me down  
You are here with me  
Yes, You are here with me  
I have need for nothing more  
Oh, now that I have found  
That You are here with me  
Yes, You are here with me I confess from time to time  
I lose my way  
But You are always there  
To bring me back again Sometimes I think of where it is I've come from  
And the things I've left behind  
But of all I've had, what I possessed  
Nothing can quite compare  
With what's in front of me  
With what's in front of me (After final Chorus)  
I thought that I was all alone  
Broken and afraid  
But, You are here with me  
Yes, You are here with me.
