

# Four Shadows

Ariel Pink

Oi, oi, oi

Oi, oi, oi

Oi, oi, oi

Four shadows ring lifeless from guardians of time

Banished from heaven

Etched into dimensionless slime

Four shapes

Perched on the pillars of stocks setting loose on the glass

There in the afterglow

Keep your eyes on the dream

In the theater of endless reform

Between what's to come and what always is and shall not be

In the night

Only darkness in the night

Things that go bump in the night

Only darkness sinks at night

Only darkness in the night

Things that go bump in the night

Oi, oi, oi

Oi, oi, oi

Oi, oi, oi

Four shadows eclipsing the rays of the sun

Blacker than black, girl

Is that overlapping the sky

Four shadows into dimensionless sleep

Nothing to touch when the movie projector is me

In very vertigo

Don't believe what you see

Through the eyelids of sin, we did fall

And between what's to come

In the night

Only darkness in the night

Things that go bump in the night

Only darkness sinks at night  
Only darkness in the night  
Things that go bump in the night

Oi, oi, oi

Oi, oi, oi

Oi, oi, oi
