Intro Two: Raekwon the ChefKnowhatI'msayin? Yeah yeah yeah yeah

Check it, yo, yo, yo, yoVerse One: Raekwon the ChefStand on the block Reebok gun cocked

Avalance rock get paid off mass murderous services

Chef break em, watch the alley cats bake em

Four-nine made em, Jah create em take em

quick fast we reflect like the sky be blue true

Wu-Tang saga continue

rap Myer Lansky, crash ya fantasy

get high fellas, stand by, 'here's the plan, see?'

sit back collectin' Tecs N checks and

blowin slow in a Montaro flexin

Beats break heavily word to INS bless me

Blow me like three bags of cess

For real from the Killa Hill locked and caged in

We're swarm representatives, reactin like paid men

Strive for why's, nine lives in lies

Max sell and enjoy the highs -- what
 Chorus/Break:[Raekwon the Chef] The treasure is the glaciers of ice
 [Ghostface] Orginal man
 [Raekwon/Ghost] Possess the power to hold G's guns and grams
 [Ghostface] Caker baker
 [Raekwon the Chef] Pull off a keystone caper
 Point out the baddest bitch in the crowd
 [Raekwon/Ghost] And i'm a scrape herVerse Two: Master KillerProceed with caution as you enter the
 symphony
 Degrees of pulse will increase intensely
 Syndrome was caused by the deadly drums
 But the battle was won by swords being swung
 Slicing with a vocal
 From the international vocalist
 Ya style is too local
 To fuck with this
 All fits of antagonists
 No assistance movin motionless
 Mysterious swiftness
 Thoughts roll down the shaft of the brain
 Mental gives the signal to the physical
 Whirlwind kicks and hits from every angle
 Violent temperments
 Uncountenance dented
 Poison vintage wine rhymes I invented
 Chumped by the drunken punches that punches the heart
 Vital sparks from the arteries startVerse Three: Ghostface KillerThe treasure is the glaciers of ice original man
 Possess the power of hold G's guns and grams
 Straight up and down it's all good
 Peace to them check castin chain snatchin gun flashin
 Niggaz in the hood bubblin good
 Analyze stocks, we'll be buyin lion heads and cloths
 To all my house bitches, Starks will be home soon
 I'm on tour chill, catch you Ninety-Six in June
 But until then my ten-man team be safe
 Chill on the whips to settle this, we can all get laced
 Take a boat cruise, sip daquiris and max swimmin pools
 Fly jewels Wally shoes blow stacks relax kid
 black kids got a cravin for grapes until we get back
 I'm packed leave the Mac that you're with
 but whatever, I gotta hit other sides of the Earth
 Spread Wu-ness, foolish, civilization's cursed
 But luckily I'm born to be wild and aure-al
 Move crowds collect twenty thou and then we out
 Heavy convoys my crew keep pretty boys paranoid

Blow like a steroid pat Dan's they're Akyroid
My seeds growin his seeds marry his seeds
that's how we keep Wu-Tang money all up in the familyChorus [all done by Ghostface]Outro: Ghostfacemy
seeds growin his seeds marry his seeds
that's how we keep Wu-Tang money all up in the family{it's been a long time...
since Wu-Tang family came to shine...}
