

# What More Do You Want

## Plain White T's

Tell me what's wrong, tell me what's right  
Tell me how you want me to do it tonight  
I don't want to sing, I don't want to shout  
I just want a feeling that I'm living without What more do you want?  
What more do you want?  
What more do you want  
From me? Tell me what you want, tell me what you need  
Tell me that you only want to get it from me  
I know what to say, I know what to do  
I know that you're staying so the jokes on you What more do you want?  
What more do you want?  
What more do you want  
From me? That's what you want  
That's right Tell me what's wrong, tell me what's right  
Tell me how you want me to do it tonight  
I don't want to sing, I don't want to shout  
I just want a feeling that I'm living without I know what to say, I know what to do  
I know that you're staying so the jokes on you  
I don't want to wait but tell me it's right  
I don't want to wait 'cause I've been waiting all night What more do you want?  
What more do you want?  
What more do you want?  
What more do you want  
From me?
