## **Buying Time**

## **Clint Black**

I've played the games, the masquerades By the time the eleventh hour fades You're bound to know that what I say is trueAnd I'm the one you're looking for Every time you find that cheatin' door I'll just keep pretending I never knewBut what are we in this for When our hearts are on the line? And if a heart could brake You're surely breaking mineAnd if we fall to ruin It wasn't my design But if I can have my way There's no price I won't pay To just keep buying timeI'll have to say, I have my doubts But I'll give all till I give out And I'll do anything to make you stayBut this could be part of the plan Maybe we were dealt a losing hand But I'll have to let the cards fall where they may But what are we in this for When our hearts are on the line? And if a heart could brake You're surely breaking mineAnd if we fall to ruin It wasn't my design But if I can have my way There's no price I won't pay To just keep buying time
