

Have You Seen Me?

Last Tuesday

'Cause I know what you need, so grab my hand
I will mislead, You won't get the truth
You'll get the me, You'd want with you
Have you seen me and what I want to be Did anybody call, did anyone at all
As where I was, did you tell them
It's because I've been here so long and now I'm moving on
And I see what you need, see what you see It's not me, so go now be on your way
No need to stay another day
I'm on the edge, I'm falling, running from you
And I do regret what I was willing to do
