

# Easy from Now On

Emmylou Harris

There he goes gone again  
Same old story's gotta come to an end  
Lovin' him was a one way street  
But I'm gettin' off where the crossroads meet Quarter moon in a ten cent town  
It's time for me to lay my heartaches down  
Saturday night gonna make myself a name  
Take a month of Sundays to try and explain It's gonna be easy to fill the heart of a thirsty woman  
Harder to kill the ghost of a no good man  
And I'll be ridin' high in a fandangled sky  
It's gonna be easy, it's gonna be easy from now on Raw as whip but clean as a bone  
Soft to touch when you take me home  
When the mornin' comes and it's time for me to leave  
Don't worry 'bout me, I got a wild card up my sleeve
