The Way It Is

The Prodigy

That's just the way it is
That's just the way it is
That's just the way
That's just the way
That's just the way
That's just the way it is
That's just the way
That's just the way it is
That's just the way
That's just
That's just the way

That's just the way
That's just the way
That's just the way it is
That's just the way
That's just the way it is
That's just the way
That's just the way it is
That's just the way
That's just the way it is
That's just the way
That's just the way it is
