You'll Always Find Me In The Kitchen At Parties

Jona Lewie

I'm no good at chatting up and always get rebuffed
Enough to drive a man to drink, I don't do no washing up
I always reached the stuff piled up, piled up in the sinkBut you will always find him in the kitchen at partiesMe and my girlfriend we argued and she ran away from home
She must have found somebody new and now I'm all alone
Living on my own, what am I supposed to do?That's why youll always find him in the kitchen at parties
You will always find him in the kitchen at parties
You will always find him in the kitchen at partiesThen I met this debutante, I said that I like new wave rock
She was into French cuisine but I ain't no Cordon Bleu
This was at some do in Haydn's green, I had no luck with herYou will still find him in the kitchen at parties
You will still find him in the kitchen at partiesAt last I met a pretty girl, she laughed and talked with me
We both walked out of the kitchen and danced in a new wayAnd now I've done my time in the kitchen at parties
I've done my time in the kitchen at partiesHe's done his time in the kitchen at parties
He's done his time in the kitchen at parties
He's done his time in the kitchen at parties
He's done his time in the kitchen at parties
