Cold Part Of Town

Concrete Blonde

Dear darling,
Haven't seen you in a while
Found some change in my pocket
Thought I'd take a chance and dialI'm all right
Just right now a little down.
It gets chilly over here.
It's a cold part of town.Dear darling,
You were right about them all
When it all came down,
They never came around or called.
That's all rightI don't miss them anyhow,
But it gets lonely over here
It's a cold part of town
I'll go now.Someone's waiting for the phone
It's raining
Getting dark and I'm alone
Yeah, I'll call you.Can I sometime come time come around
It's so lonely over here
It's a cold, cold part of town.
