Getting Away with Murder

Sahara Hotnights

She thought, she had the only key
She thought, you only opened up to her
Well you see, I don't know why you call it love
She thought, she was the brightest light
But someone else was lightin' up your life
What I think, I don't know why you call it love
I'm not suspicious, no not me
But I'm not blind and I'd have to be not to see
Gettin' away with murder
You can love a girl and hurt her
That's gettin' away with
Gettin' away with murder
You can tell a girl you love her
While you're workin' on another
That's gettin' away with
Gettin' away with murder
You have had to love and run
Two in the hand has left you holdin' none
And I don't, I don't know how you call it love, no, no
You're not demanding, no not you
You're understanding, you do what you wanna do
Gettin' away with murder
You can love a girl and hurt her
That's gettin' away with
Gettin' away with murder
You can tell a girl you love her
While you're workin' on another
That's gettin' away with
Gettin' away with murder

You said she was the only one
But you were cheatin' all along
There ought to be a law for what you've done
I got to save you from yourself
I got to stop you from hurtin' someone else
Gettin' away with murder
You can love a girl and hurt her
Gettin' away with
Gettin' away with murder

You can tell a girl you love her
While you're workin' on another
Gettin' away with
Gettin' away with murder
Gettin' away with murder
You can love a girl and hurt her
Gettin' away with
Gettin' away with murder
You can tell a girl you love her
While you're workin' on another
That's gettin' away with
Gettin' away with murder
Gettin' away with murder
You can love a girl and hurt her
That's gettin' away with
Gettin' away with murder
You can tell a girl you love her
While you're workin' on another
Gettin' away with
