

Beautiful Name

Zoegirl

Your heart I seek to find
With Your hands You fashioned mine
Let me be used by You
To carry out the truth To the ends of the earth
'Til everyone's heard
My mended heart will share Your words
I will tell the world that You are God I will run, I will fly
I will live to be a sacrifice
Through it all I'll rise above
Unafraid I will face what comes I will run, I will fly
And for my faith I'll live and die
I'll be strong, I will press on
For the sake of Your beautiful name
Your beautiful name Should all life cease to grow
Should chaos take control
The only hope we know is
You will save us It's worth the cost
To take up my cross
As You take back what's been lost
Until all who don't know You are God I will run, I will fly
I will live to be a sacrifice
Through it all I'll rise above
Unafraid I will face what comes I will run, I will fly
And for my faith I'll live and die
I'll be strong, I will press on
For the sake of Your beautiful name
Your beautiful name, Your beautiful name I'm not a captive anymore
I'm gonna soar to a new place
Take on a new pace
I know what my life is for I will run, I will fly
I will live to be a sacrifice
Through it all I'll rise above
Unafraid I will face what comes I will run, I will fly
And for my faith I'll live and die
I'll be strong, I will press on
For the sake of Your beautiful name
Your beautiful name, Your beautiful name (Your beautiful name)
I will run, I will fly
I'll be strong, I will press on

For the sake of Your beautiful name
(Your beautiful name)
Your beautiful name
