

Loved One

Ivan Tucakov and Tambura Rasa

Yeah love one
Can't talk to me that way
oooh love one
Don't talk to me that way
Cause if you wanna fight,
go ahead but it ain't gonna beat me tonight
ooh love one
ooh love one Yeah love one
you've got that vampire look in eye

I just know, that you're comming by
Yooo love one
You know I need to pray you pray you and pray
Cause I rather talk to guys cause I ain't got nothing to you to say
Come on
Love one

Come on Yeaaaah someone
won't you dance with me tonight
Come on love one
ain't gonna do that for my right Hey someone
you've go to be up out of mind
cause you can't be my love one
and left you crazy half the time

Come on Let's do the shoe shine
Let's do the war time
Let's the the I'm blind
Let's do the holy ghost
Let's do the knock down
Let's do the king's crown
Let's do the night fight
Let's do the shout loud
Let's do the shout loud

Do the shout loud
Come on
Let's do the shout loudLove one
