

For All Time (Mark!'s Radio Mix)

Soluna

you've the first in my life
who has ever made me feel this way
and i will not deny
i'm gonna need you right here by myside
(baby i can't wait)
come and hold my hand and let me lead the way
(to take you breathe away)
i'm holdin,kissin,lovin, and touchin you
(never will be to late)
to see myself throught your eyes
(baby i can't wait)
until the day i hear you say*CHORUS*
you were mine there's no other one for me
keep in mind
you make my life complete
and tonight
we'll make love endlessly cause you're mine
you're the one that i'll keep
for all timenow that you're here boy
i'm never gonna let you go
can i touch you there boy
do you mind if we kiss real slow
you're my everything
you're my hopes and dreams
baby you know it ain't no lie
i'm gonna be with you till the day that i die
(baby i can't wait)
come and hold my hand and let me lead the way
(to take you breathe away)
i'm holdin,kissin,lovin, and touchin you
(never will be to late)
to see myself throught your eyes
(baby i can't wait)
no no
until the day i hear you say*CHORUS*you're the one that lights my fire
you're the one who keeps me strong
your the one that i depend on when my world is going wrong
your the one that i hold closer

and i really really love you
i just want you to know that You were mine
there's no other one for me keep in mind
(keep in mind)
