Solar System

The Parlotones

Solar system, a soul, a solar system
Solar system, a soul, a solar system

Pais Vasco to San Francisco, all the girls my Casiotone
Daddy-o, mammy-o, I went to England and tried to find my soul

Solar system, a soul, a solar system
Solar system, a soul, a solar system
Solar system, a soul, a solar system
Solar system, a soul, a solar system

Pais Vasco to San Francisco, all the girls my Casiotone
Daddy-o, mammy-o, I went to England and tried to find my soul
Pais Vasco to San Francisco, all the girls my Casiotone
Daddy-o, mammy-o, I went to England and tried to find my soul
Pais Vasco to San Francisco, all the girls my Casiotone
Daddy-o, mammy-o, I went to England and tried to find my soul
