

Carnival

Eric Clapton

Oye! Come with me
(Come with me)
Come with me
(Come with me)
To the carnival
(To the carnival)
To the carnival
(To the carnival) You will see
(You will see)
You will see
(You will see)
What you want to see
(What you want to see)
Exactly what you want to be
(What you want to be)
(At the carnival, at the carnival, at the carnival) Come with me
(Come with me)
Come with me
(Come with me)
To the carnival
(To the carnival)
To the carnival
(To the carnival)
(To the carnival, to the carnival, to the carnival) Ahh haa haa yea Come with me
(Come with me)
Come with me
(Come with me)
Come with me
(Come with me)
Come with me
(Come with me)
