

# Since I Lost My Baby

Luther Vandross

The sun is shinin', there's plenty of light  
A new day is dawnin', sunny and bright  
But after I've been cryin' all night  
The sun is cold, and the new day seems old  
Since I lost my baby  
Oh, since I lost my baby, ooh The birds are singin' and the children are playin'  
There's plenty of work and the bosses are payin'  
Not a sad word should a young heart be sayin'  
But fun is a bore and with money I'm poor Since I lost my baby  
(Since I lost my baby)  
Oh, since I lost my baby, my baby  
(My baby, my baby)  
Next time I'll be kinder to my baby Won't you please help me find her  
(Just help me to find her)  
Someone just remind her  
(Someone just remind her)  
(Someone just remind her)  
Of this love she left behind her 'Til I find her I'll be trying ta  
( 'Til I find her I'll be trying ta)  
Everyday I'm more inclined ta  
Find her, Inclined ta Find her, Inclined ta find my baby  
(Baby)  
I've been looking everywhere  
(My baby)  
Yeah, baby, I really, really care, I care, I care My determination is fading fast, oh fast, oh fast  
Inspiration is a thing of the past, oh  
I can't see how my hope's gonna last  
But good things are bad and what's happy is sad, so sad, so sad  
(So bad)  
I'm sad, so sad, so sad Since I lost my baby  
(Since I lost my girl)  
Oh, since I lost my baby  
(Since I lost my baby)  
I feel so sad Gotta find that girl, I've got to find my girl  
Since I lost my, since I lost my, my, my, my, my baby  
Gotta find that girl, I've got to find my girl  
Since I lost my, since I lost my, my, my, my, my baby  
Gotta find that girl, I've got to find my girl  
Since I lost my baby What's gonna happen to her

I Don't know, I don't know  
What I'm gonna do now  
I don't know  
Since I lost my baby, yeah I don't know, I don't know  
What to do without my girl, my girl, my girl  
I don't know  
Since I lost my baby, yeah I can't find her nowhere  
Nowhere, nowhere, nowhere, nowhere, oh no  
Yeah, I can't find her nowhere  
Nowhere, nowhere, nowhere, nowhere  
Nowhere, nowhere, nowhere  
I can't find her nowhere  
Nowhere, nowhere, nowhere, nowhere  
I can't find her nowhere  
Nowhere, nowhere, nowhere, nowhere
