Spooky

S.P.O.C.K

Waking up, feeling strange
a look in the mirror comfirms the changeAll of my powers are out of control
another host is carrying my soulI am not myself today
I'm trapped in another body
I am here at the academy
to prepare a new shell for meI'm not sure about that idea
the old one was really a part of me
I am not myself today
I'm trapped in another body
