

# Painted from Memory

## Elvis Costello & Burt Bacharach

Such a picture of loveliness  
Didn't you notice the resemblance?  
Doesn't it look like she could speak?  
Those eyes I tried to capture  
They are lost to me now forever  
They smile for someone elseFunny how looks can be deceiving  
But she's not easily painted from memoryYou'd think that I would know by now  
Those eyes I tried to capture  
They are lost to me now forever  
They smile for someone else  
And so this had to be  
Painted from memoryShe is gone and I must accept it  
She is lost to me now  
But I can't look away just yet though  
She smiles for someone else(And so this had to be)  
(Painted from memory)  
Funny, now I can see  
How looks can be deceiving  
(And so this had to be)  
(Painted from memory)  
Funny, now I can see  
How looks can be deceiving
