

In My Life

Chantal Kreviazuk

There are places I remember all my life
Though some have changed, some forever
Not for better, some have gone
And some remain, all these places have their moments
With lovers and friends, I still can recall
Some are dead and some are living in my life
I've loved them all
But of all these friends and lovers there is no one
Compares with you and these memories lose their meaning
When I think of love as something new
Though I know I'll never those affection
For people and things that went before
I know I'll often stop and think about them
In my life, I love you more
