

I'd Be Lost

[Lauren Nikohl](#)

(Verse 1)

You make my world spin round
Lift me off the ground
Your arms are my home; I've got no place to go
What would you have me do?
There's no turning back, I got lost in you
I'm smitten through and through(Verse 2)

Could you tell I was so afraid
Of being replaced?
Those eyes and that face fill up all the space
In my heart(Bridge)

Is there a way to know
That you and I will be
Forever in each other's arms?
For what would I do if there was no you?
I don't ever want to know(Chorus)
I'd be lost if I lost you(Verse 3)

I guess I'd like to say I think of you each day
You're my love and my best friend
It's really nothing new that I love you
I just hope you always know I'm just so in love with you I'd be lost if I lost you
