

# Some Hearts

## Remingtons

I've never been the kind that you'd call lucky  
Always stumbling around in circles  
But I must have stumbled into something  
Look at me am I really alone with you I wake up feeling like my life's worth living  
Can't recall when I last felt that way  
Guess it must be all this love you're giving  
Never knew, never knew it could be like this But I guess  
Some hearts, they just get all the right breaks  
Some hearts have the stars on their side  
Some hearts, they just have it so easy  
Some hearts just get lucky sometimes  
Some hearts just get lucky, lucky sometimes Now who'd have thought someone like you could love me  
You're the last thing my heart expected  
Who'd have thought I'd ever find somebody  
Someone who someone who makes me feel like this Well I guess  
Some hearts, they just get all the right breaks  
Some hearts have the stars on their side  
Some hearts, they just have it so easy  
Some hearts just get lucky sometimes  
Some hearts just get lucky sometimes Even hearts like mine  
Get lucky, lucky sometimes  
Even hearts like mine Some hearts, they just get all the right breaks  
Some hearts have the stars on their side, yes  
Some hearts, they just have it so easy  
Some hearts just get lucky sometimes Some hearts, they just get all the right breaks  
Some hearts have the stars on their side, yes  
Some hearts, they just have it so easy  
Some hearts just get lucky sometimes  
Some hearts just get lucky sometimes, sometimes
