

Lies, I Don't Know What They Say But..

Down

Advisory - the following lyrics contain explicit language:

Sometimes I feel like a man that has two broken hands, yeah
All of this thrown at me, sinking me neck deep in sand, yeah
They can't kill me no more
I don't know what to say 'cause it's lies, lies Underneath all this, they should see the man that I am, yeah
All of my life I've been tried and then persecuted, yeah
They can't kill me no more
I don't know what to say 'cause it's lies, lies Underneath all this, they should see the man that I really am
I've been tried and persecuted Lies, lies, yeah Undenied, yeah
Cold shackles inches from the knives, I defy, yeah
What's mine shall be but nothing stands the time
Not surprised, yeah
It's the same to sleep as it is to rise Lies, lies
Lies Undenied
Cold shackles on my hands, inches away Death or life, look deeply into my eyes
Fire on fire, way to be and get a fucking ride
Some desire, a 'Fuck you' soars through the sky Lies, lies
Lies, yeah, lies
