South Of Heaven

Slayer

An unforeseen future nestled somewhere in time
Unsuspecting victims no warnings no signs
Judgment Day the second coming arrives
Before you see the light, you must dieForgotten children confirm a new faith
Avidity and lust controlled by hate
The never ending search for your shattered sanity
Souls of damnation in their own realityChaos rampant in age of distrust
Confrontations impulsive habitatBastard sons beget your canting daughters
Promiscuous mothers with your incestuous fathers
Ingrate souls condemned for all eternity
Sustained by immoral observance a domineering deityChaos rampant in an age of distrust
Confrontations impulsive sabbathOn and on south of HeavenThe root of all evil is the heart of a black soul
The force that has lived all eternity
The never ending search for a truth never told
The loss of all hope and your dignityChaos rampant in an age of distrust
Confrontations impulsive habitatOn and on south of Heaven
On and on south of Heaven
On and on south of Heaven
On and on south of Heaven
