

18 Wheeler

Pink

Can't keep me down
Can't keep me down, down
Can't keep me down
I said, you can't keep me down
You know, you can't keep me down
I said, you can't keep me down Hey hey man, what's your problem?
I see you tryin' to hurt me bad
Don't know what you're up against
Maybe you should reconsider
Come up with another plan
'Cuz you know I'm not that kinda girl
That'll lay there and let you come first You can push me out the window
(You can)
I'll just get back up
You can run over me with your eighteen wheeler truck
And I won't give a
You can hang me like a slave
I'll go underground
(Go underground)
You can run over me with your eighteen wheeler but
(Ooh)
You can't keep me down, down, down, down
Can't keep me down, down
Can't keep me down, down, down
Can't keep me down, down
Aah ah ah Hey hey girl, are you ready for today?
You got your shield and sword
'Cuz its time to play the games
You are beautiful
Even though you're not for sure
Don't let him pull you by the skirt
You're gonna get your feelings hurt, yeah You can push me out the window
(You can push me)
I'll just get back up
(I'll get back up)
You can run over me with your eighteen wheeler truck
(Oh oh oh)
And I won't give a
(Say, I won't give a)

You can hang me like a slave
(A slave)
I'll go underground
(I'll go underground)
You can run over me with your eighteen wheeler but
You can't keep me down, down, down, down
(Can't keep me down) You can push me out the window
(Yea)
I'll just get back up
You can run over me with your eighteen wheeler truck
(You can try)
And I won't give a
(I won't give a)
You can hang me like a slave
(Hey, yea)
I'll go underground
(I'll go underground)
You can run over me with your eighteen wheeler but
You can't keep me down, down, down, down (Everywhere that I go)
There's someone waitin' to chain me
(Everything that I say)
There's someone tryin' to short change me
(I am only this way)
Because of what you have made me
And I'm not gonna break You can push me out the window
I'll just get back up
You can run over me with your eighteen wheeler truck
And I won't give a
Yea, yea, yea
You can hang me like a slave
(I'll)
I'll go underground
(I'll go underground, yeah)
You can run over me with your eighteen wheeler but
(Yea, yea)
You can't keep me down
(You can't keep me down) You can push me out the window
(I'll just get back up)
You can run over me with your eighteen wheeler truck
(And I won't give)
(And I won't give up)
You can hang me like a slave
(Oww, oww)
(Can't give it)
(Can't give it)

You can run over me with your eighteen wheeler truck
(Can't give it up)
Can't give it up
(Can't give it up) You can push me out the window
(No, no, no, no)
I'll just get back up
(I'll just get back up)
You can run over me with your eighteen wheeler truck
(You can run)
(And I won't give a, yeah)
You can hang me like a slave
I'll go underground
(I'll go underground)
You can run over me with your eighteen wheeler truck
You can't keep me down
(Can't keep me down)
