Malibu Love Nest

Luna

Honey bunny come on
It's time to put the diamonds on
In the bathroom on the plane
On the bus and on the train
I'll write your nameIn malibu
In malibuInside italian magazines
In my wishes and my dreams
On the walls and on the streets
In the sand and on the beach
I'll write your nameIn malibu
In malibu
In malibu
You will call me robespierre
Put the powder in your hair
Moonmen light
This crooked sky
There is something in the air
