

# Sigh No More

## Mumford & Sons

Serve God, love me and mend  
This is not the end  
Lived unbruised, we are friends  
And I'm sorry  
I'm sorry

Sigh no more, no more  
One foot in sea, one on shore  
My heart was never pure  
You know me  
You know me

But man is a giddy thing  
Oh man is a giddy thing  
Oh man is a giddy thing  
Oh man is a giddy thing

Love; it will not betray you  
Dismay or enslave you, it will set you free  
Be more like the man you were made to be

There is a design, an alignment to cry  
Of my heart to see,  
The beauty of love as it was made to be

Love; it will not betray you  
Dismay or enslave you, it will set you free  
Be more like the man you were made to be

There is a design, an alignment to cry  
Of my heart to see,  
The beauty of love as it was made to be

Love; it will not betray you  
Dismay or enslave you, it will set you free  
Be more like the man you were made to be

And there is a design, an alignment to cry  
Of my heart to see,  
The beauty of love as it was made to be
