

Miracle

Above & Beyond

Don't they know that there's something going on?
What they're harming with their indecision
But who will be left standing when I'm gone?
There'll be nothing left but a vision It's too easy to turn a blind eye to the light
It's too easy to bow your head and pray
There are some times when you should try to find your voice
This is one voice that you must find today Are you hoping for a miracle
As the ice caps melt away?
No use hoping for a miracle
There's a price we'll have to pay Don't they know that there's something they can do
To be sure of tomorrow's tomorrow
And too late is too late for me and you
No more time left for you to borrow It's too easy to turn a blind eye to the light
It's too easy to bow your head and pray
There are some times when you should try to find your voice
This is one voice that you must find today Are you hoping for a miracle
Am I still there in your plans
No use hoping for a miracle
There's a price we'll have to pay Are you hoping for a miracle
Are you hoping for a miracle
