

Same Problem

Waking Ashland

Advisory - the following lyrics contain explicit language:

Oh no, the battle forms inside
And I speak, but you don't see the signs
My heart aches, leaving me here to hide
My world shakes, until you assure me Oh no, there goes composure
Over and out to sea
Oh no, this won't control me
But it seems to get the best of me The same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonder, oh why, oh why Oh no, I'm crossing my fingers
In hopes, you will not leave me
Far away, the silence it burns me
As I wait, the tension builds The same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonder Oh why, can't I move forward?
Oh why, does my mind wander?
Oh why, does my heart desire you? The same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonder The same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonder, oh why Oh no, there goes composure
