White Coats

Foxes

As a child, my mother said to me,

"Don't be afraid to lead the way you see"

And it's only you who knows

Nobody else can seeBut do I chase myself into the dark?

In the thousand ways to lead me back to the start

But you make it easy, you

To be who I want to beAnd if the men in white coats are coming

I know you'll still be there for me

To chase down the wolves around us ('round us, 'round us)

Oh, oh, oh, ohh

I keep the memories inside my mind

To show me how to leave the darkness

You will take me home one day, believe meTake my hand and lead me out from here Hunted down, their footsteps drawing near

I knew you would come for me

I'm sorry you're in so deepAnd if the men in white coats are coming

I know you'll still be there for me

To chase down the wolves around us ('round us, 'round us)

Oh, oh, oh, ohh

I keep the memories inside my mind

To show me how to leave the darkness

You will take me home one day, believe meAnd I was so scared, I could not see the light I didn't want to be alone

But you just stand there, watch them hold me down I need to know that you're aroundAnd I was so scared, I could not see the light I didn't want to be alone

But you just stand there, watch them hold me down I need to know that you're around
