Yonder Blue

Tortoise

The color of the sun is nearly lost in the horizon
As the night comes in
But it shines again tomorrow
And I know I'm gonna find you
Cause it's the day I'm gonna find youOoooh
I'll fill the ocean with tears until I find you
Until I find youOoooh
I'll be in an ocean of tears
If I don't find you
If I don't find you
If I could only make it rain
If I could only make it rain
If I could only make it rain
If I could only make it rainIt seems the stars are shining
They're always out there hovering around the moon
Oh that illusive moon its faintly blue
But it will glow again tommorrow
When I find you
Ooooh
If I could only make it rain
If I could only make it rain
If I could only make it rain
