Morningstar

AFI

I saw a star beneath the stairs
Glowin' through the meltin' walls
Who will be the first to begin their fall?
Or will we become one? Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything? I saw a star beneath the stairs
Glowin' bright before descent
And in the morning there is nothing left
But what's inside of meAm I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything? Am I the star beneath the stairs?
Am I the ghost upon the stage?
ar anything? And I don't want to die tonight, will you believ

Am I your anything? And I don't want to die tonight, will you believe in me? And I don't want to fall into the lightWill you wish upon? Will you walk upon me? I don't wanna die tonight, Will you believe in me tonight?

Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?
