Without

Sarah Blasko

It's hard to resist what is bathed in white
You lose part of yourself in all that shines so bright
Feel caught in a wilderness, can't find your way out
You've encountered a warning, rings within and withoutYou have not love
You have not love
If you have not love, you have nothing at allIt's hard to wake from your sleep into night
Feel beaten by wrong, but you don't know what is right
You can talk your way out or you can offer it up
Don't tread lightly for nothing
You're so heavy within
You have not love
You have not love
If you have not love, you have nothing at all
Without love
Without love
Without love, you have nothing at all
And you have nowhere to
Copy, paste, robots, i'm so tired of them
But if you look you'll find in everything
You've got to find it, choose to swim or you'll sink
You've got to have it, there's no way for the sick
Don't fall a victim to the carnal within
You have not love
You have not love
If you have not love, you have nothing at all
Without love
Without love
Without love, you have nothing at
Without
Without
Without
Without
Without
You're nothing at all
