Paradise (Dr Rubberfunk Club Mix)

Stereo MC's

When you're riding high on life
There's a twisting paradise
So make a sacrifice
Come on now pay the priceWhen you're riding high on life
There's a twisting paradise
Come on nowWhen you're riding high on life
There's a twisting paradise
Come on nowWhen you're riding high on life
There's a twisting paradise
Come on nowWhatever you want from me (whatever you want from me)
Whatever you need from me (whatever you need from me)
Whatever you get you see (what you see is what you get)
Look for necessityWhen you're riding high on life
There's a twisting paradise
You gotta make a sacrifice
Come on now pay the priceWhenever you need to see (yeah)
A frame of reality
Being prepare to be
Whatever you wanna beTaking formWhen you come between both sides
Don't let your reason slide
There's a twisting paradise
Gotta make a sacrificeBurning
Burning
Come on now
Come on nowGonna break the (?) down
'till kingdom come
Gonna heat this thing upGonna break the (?) down
'till kingdom come
Gonna heat this thing upLike the heat (?) from the sun
Like the heat (?) from the sun
Burning
BurningWhen you're riding high on life
There's a twisting paradiseWhatever you want from meLike the heat from the sun
