

Don't Cry [outro] (featuring Purple Popcorn)

MIMS

Uh, (don't cry) just follow me for a second
Le let me take you all some placeI remember When I was young my momma said she was going out
 You see the problem is she was always going out
 Grandma mad cause my mama left us in the house
She was grown but granny thought she was showing out
 Know you saying damn they ain't shit to be mad to
 My momma told me well that she did what she had to
 But see I ain't like that she was dating the bad dudes
 So every time she went out I gave her an attitude
 Yeah I was straight throwing a tantrum
 Try to mess up her plans I was hoping she cancel
 But ain't nobody told her what she could and she can't do
 Yeah ma I was a handful so yeah
 I cried and I cried and I tried to show her my said
 But she wasn't hearing her kid took the key to the crib
 Out the door she waving bye bye
 She had me thinking that my tears meant nothin'
 Years later found out it means something
 You see all those nights mama left me alone
I had to learn how to stand on my own (2 feet)[Chorus]
 Don't cry don't cry don't cry it'll be alright
 You only get one chance to live yo life
 Up and down homie enjoy yo ride
 And don't cry don't cry don't cry it'll be alright
 You only get one chance to live yo life
Up and down homie enjoy yo ride (don't cry because it's okay)So now I'm grown up rap performer
 Give thanks to the mirror where I practiced so much
 That's to my grandma after so much
 Sacrifice I feel so loved
And this is to my auntie Ann cause I be damned
 If I ever said can't when I probably can
 To my brother my blood my right hand man
 Won't hesitate to put my life in yo hands
And this is to my young sis 2 cause nothing could stop you
 Roy hand and troy p I ain't forgot you
 My uncle Joe and Serita even my pops to
 If I'm on top then we on top to
 Chris and b you know that I got you
 Will and ill c you know that I got you

The whole 6-4 you know that I got you
Black get yo hustle on I can't knock you
C-l slim and k b
Niggas in the hood that failed to pay me
I still got love for you niggas don't know why
So I know the meaning of when mama said don't cry[Chorus: x2]Don't cry don't cry don't cry it'll be alright
You only get one chance to live yo life
Up and down homie enjoy yo ride
