Soon As I Get Home

Bobby Valentino

Hey baby, come here, come here for a second
I don't like the way he treats you
He don't deserve you for real
He really don't, check this outWhat kind of man
Would leave you standing in the cold?
Must have been a silly one
To sacrifice a pot of goldYour the kind of woman
Who needs a man that's always there
It's not that you require a lot
Just need some tender love and care, careI give good love
I'll buy your clothes
I'll cook your dinner too
Yeah, soon as I get home from workI'll pay your rent
Your faithful lover
Oh, baby, soon as I get home
Soon as I get home from workGirl I'll treat you right
And I'll never lie
For all that it's worth
I'll give good love
(Good love, good love, good love, good love)It doesn't make sense
That you should have a broken heart
Well, if I were the only one
Id never let you fall apartYour the kind of woman
That needs a man with lots of cash
With a stack of major credit cards
And with me, you don't have to ask, askI give good love
I'll buy your clothes
I'll cook your dinner too
Oh, baby, soon as I get home from workI'll pay your rent
Your faithful love, baby
Soon as I get home
Soon as I get home from workGirl, I'll treat you right
And I'll never lie or flirt
Soon as I get home
Soon as I get home from workGirl, I'll treat you right
And I'll never lie for all that it's worth
I give good love, oh, baby, good love
(Good love, good love, good love, good love)
Oh, I give good love, oh, baby good love, oh, no, no, oh

(Good love, good love, good love, good love)I give good love
I'll buy your clothes
I'll cook your dinner too
Soon as I get home from workI'll pay your rent
Your faithful love
Soon as I get home
Soon as I get home from workGirl, I'll treat you right
And I'll never lie or flirt
Soon as I get home
Soon as I get home from workGirl, I'll treat you right
And I'll never lie
For all that it's worth
I give good love
(Good love, good love, good love, good love)
I give good love, love, give, give, give
(Good love, good love, good love, good love)Good love, good love, good love, good love
Good love, good love, good love, good love
Good love, good love, good love, good love
