

Already Gone

[Kelly Clarkson](#)

Remember all the things we wanted
Now all our memories, are haunted
We were always meant to say goodbye Even with our fists held higher,
It never would've worked out right
We were never meant for do or die I didn't want us to burn out
I didn't come here to hurt you, now I can't stop I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone Looking at you makes it harder
But I know that you'll find another
That doesn't always make you want to cry Started with a perfect kiss then
We could feel the poison set in
Perfect couldn't keep this love alive You know that I love you so
I love you enough to let you go I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone Already gone, already gone, already gone
Already gone, already gone, already gone, yeah Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
