

# Mary (Live, solo)

[Sarah Slean](#)

She's looking out and out to a galaxy  
A fateful boat trip across a Northern Sea  
On a frosty window she writes her name  
Oh daughter, this is how she became Mary, go ahead and have your little baby  
Mary, toughest of the tough but still a lady Oh I've all the courage I'll ever need  
I wax poetic on my enemies  
The century is raging, but so are we  
No matter what I know we've got a symphony called Mary, go ahead and have your little baby  
Mary, toughest of the tough but still a lady Out of dark days, stay up airplane  
Take my last name, stay up airplane Go ahead and have your little baby  
Mary, toughest of the tough but still a lady  
Mary, toughest of the tough
