

# Mothers of the Sun

## Black Mountain

Mothers of the sun  
Your children had it rough  
Ain't no fooling  
We're back in school  
Ain't no fooling  
When you've been fooled Let's count together our \_\_\_\_\_  
What you've been \_\_\_\_\_ has messed us around  
We've seen the white light in crimson \_\_\_\_\_  
What a confusion \_\_\_\_\_ of our Mothers of the sun  
Your children had it rough  
Ain't no fooling  
We're back in school  
Ain't no fooling  
When you've been fooled Mothers of the sun  
Your children had it rough  
Ain't no fooling  
(Let's come together \_\_\_\_\_)
