

# Rainin'

**Bobby Darin**

It keeps on rainin' everyday  
Just keeps on rainin', won't go away  
Same old love story  
You've heard before  
I tried, she lied, I cried inside It keeps on rainin'  
Oh, how much more  
Will it keep rainin'  
Will it still pour? Maybe there's someone  
Waitin' around the bend  
A friend, who'll lend an end  
To all this rainin', this awful rainin'  
And bring me some love It keeps on rainin'  
Oh, how much more  
Will it keep rainin'  
Will its still pour? Maybe there's someone  
Waitin' around the bend  
A friend, who'll lend an end  
To all this rainin', this awful rainin'  
And bring me some love
