Hey man, what is that?

None of gal distress 'round have a gallant dress  
Tell the girl, them see that there is no contest  
Call the people to check the girl now a cut above the rest  
Shagsman deh here tell them gwan flex  
Hear me now star  
See me now  
I just love how the girls them a flex  
Gal you're just above inna your tights and dress  
Pants and the blouse and the shorts  
And me say down inna them dress  
Gal you know you win the healthy body contest  
Woman deh ya so you is a cut above the rest  
That's why wanna get me mad

You have the body fi make man take set  
A grouchful but mine, envious gal that  
Woman big up your chest, you's a cut above the rest  
Body on the ship I do win the contest  
No feel no way a guy can disrespect  
'Cause if them disrespect, them just get distress  
So wa

Act wholly monkey, she come out at night
