

Livin' For the Beast

Broomstick Witches

LIVIN FOR THE BEAST with her angel face and fancy lace
shes not so innocent
with breath of peppermint
shes livin for the beast
for the carnal feast
shes livin for the beast
for the carnal feast
with her flirty eyes
full of dark surprise
with her hair of fire
heart of evil desire
shes livin for the beast
for the carnal feast
shes livin for the beast
for the carnal feast
with her vampyre teeth
hidden beneath enticing grin
exuding sweet sin
shes livin for the beast
for the carnal feast
shes livin for the beast
for the carnal feast
