

# Why Didn't Rosemary?

## Deep Purple

There's a black hill  
We had a climb  
Everything I need but nothings mine  
Satan's world, I've had a kill  
Why didn't Rosemary ever take the pill?  
Lying there waiting, waiting for the kill  
Oh man won't do it, but the devil will I'm losing time and my mind  
Why can't I ever have what's naturally mine?  
I got life and the things that go with it  
If there's something else, where can i get it?  
Lying there waiting, waiting for the kill  
Oh man won't do it, but the devil will Well here's my views, I always lose  
Things I want to do are yesterday's news  
Say life's a ball, I've had it all  
Out there in another dance hall  
Lying there waiting, waiting for the kill  
Oh man won't do it, but the devil will Take me as I am, an excuse for a man  
Wherever I push someone stops my hand  
As a matter of interest, tell me if you will  
Why didn't Rosemary ever take the pill?  
Lying there waiting, waiting for the kill  
Oh man won't do it, but the devil will
