

The Loving Cup

Christine and the Queens

Walk before you see us walking
Talk before you hear us talking
Hold before we flee your holding
Cry in honour of us crying If you are willing, then drink the loving cup
Join the fallin' stars that never got wiser Fuss is what we are unleashing
Warped are our faces and feelings
From our stumps the makeup's crumbling
On your fancy dresses floating If you are willing, then drink the loving cup
Join the fallin' stars that never got wiser Now walk Watch, Learn, Before you fall while you're still here
