Mirror, Mirror

Tankard

Why do you hate me? What is your game?
You point your finger at me even though I'm not to blame
Now you feel better, but are you sure?
It makes me laugh because you think that you're so pure
Now shut up! I walk on water
I'm as clean as the virgin mother
Critisize all the people 'round me
I was born with the gift of insight
You're the one who can't deal with me
Everyone but me is lyingMirror, mirror - take a closer look
Mirror, mirror - there's no denying
Mirror, mirror - what do you see?
Mirror, mirror - there's no use cryingEncloaking yourself in a shroud of lies
And with each tale another foul part inside you dies
Are you reflecting? There is no hope
Your disturbed view of life results
From smoking too much dope
Now shut up! I walk on water
I'm as clean as the virgin mother
Critisize all the people 'round me
I was born with the gift of insight
You're the one who can't deal with me
Everyone but me is lyingMirror, mirror - take a closer look
Mirror, mirror - there's no denying
Mirror, mirror - what do you see?
Mirror, mirror - there's no use cryingMirror, mirror - take a closer look
Mirror, mirror - there's no denying
Mirror, mirror - what do you see?
Mirror, mirror - there's no use cryingWhy do you hate me? What is your game?
You point your finger at me even though I'm not to blame
Now you feel better, but are you sure?
It makes me laugh because you think that you're so pure
Now shut up! I walk on water
I'm as clean as the virgin mother
Critisize all the people 'round me
I was born with the gift of insight
You're the one who can't deal with me
Everyone but me is lyingMirror, mirror - take a closer look
Mirror, mirror - there's no denying

Mirror, mirror - what do you see?
Mirror, mirror - there's no use crying
Mirror, mirror - take a closer look
Mirror, mirror - there's no denying
Mirror, mirror - what do you see?
Mirror, mirror - there's no use crying
