Hear My Voice

Dubtronix

You are the only one that brings me peace
You are the only one where hope is seen
The mercy You've given is more than I deserve
So I lay it down so I can heed Your wordHear my voice, I raise to You
With honor and praise all glory is due
I lay it down all at Your feet
With lifted hands it's You we seek
To You we seek, come on Jesus
And I will seek Your faceYou are the only one that brings me truth
You are the only one that makes me new
The grace You've given a gift for all to see
This is why I give You everythingHear my voice, I raise to You
With honor and praise all glory is due
I lay it down all at Your feet
With lifted hands it's You we seekAnd to You I lift my voice
And to You I lift my hands
And to You I give my heartHear my voice, I raise to You
With honor and praise all glory is due
Lay it down all at Your feet
Lifted hands to You, to You we seekHear my voice, I raise to You
With honor and praise all glory is due
I lay it down with everything that's in me
With lifted hands it's You we seek
